IBUR Data Uploading Instruction

You can send your CBCT scan files and digital model files to IBUR easily by electric transfer through a HIPPA compliant server from our website:

1. Copy all of the **Multifile DICOM files** into **1 folder** (per scan) with the names of the doctor and the patient as the folder name (Please do not send files individually).

   File name example: C:\Dr Smith – Jones

2. Compress the folder into a single zip file

3. Visit our website contact page:

   https://www.iburbiosystems.com/order

   Fill out the order form A, B or C.

4. Click on “Send Scan Data & Images”. You will be led to HIGHTAIL site “Deliver files directly to IBUR BioSystems”.

5. Upload all necessary scan file(s) and images (if any) into the box. "From" section and "Message Section" will appear once you upload the file(s). Then, write your name and email address in the "From" section. Make sure to put the doctor’s name and the patient’s name in the ‘Message’ section.

6. Select the compressed file, and then click on “SENDIT”.
